

The Ways to Dispose of Waste

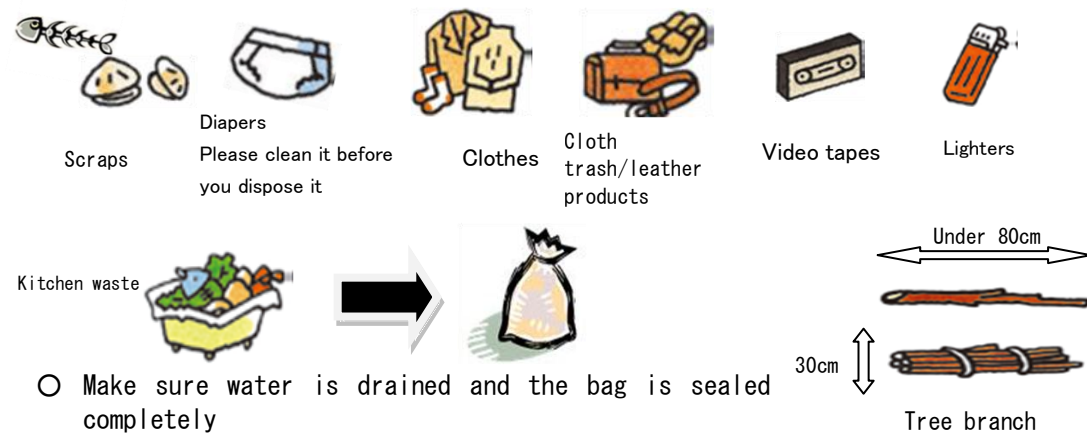

Please cooperate in order to minimize the amount of waste

Please dispose of your waste on the appointed collection date at the designated area

(Please do NOT dispose of waste before the collection date)

BURNABLE

The way to dispose ⇒ Please use designated bags for burnable waste.

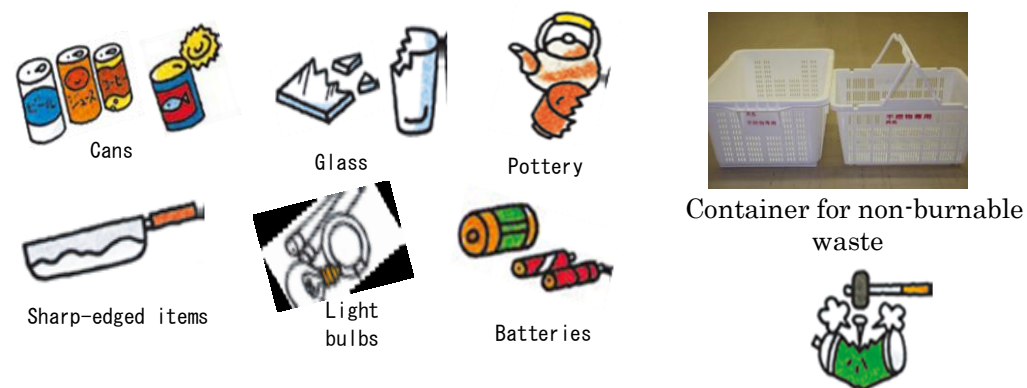

○ Make sure water is drained and the bag is sealed completely

- Kitchen scraps ... kitchen waste, scraps, seashells
- Paper trash ... paper trash, paper cups, paper plates, tissue paper
- Cloth trash/leather products ... cloth, towel, stuffed animals, bags, shoes
- Plastic ... Sprinkler buckets, calculators, video tapes
- Yard waste ... Tree twigs, leaves, wooden chopsticks, wooden crafts, flowers
- Other ... Diapers, pocket-sized body warmers, containers for sauce and mayonnaise

NON-BURNABLE

The way to dispose ⇒ Please use special containers for non-burnable items

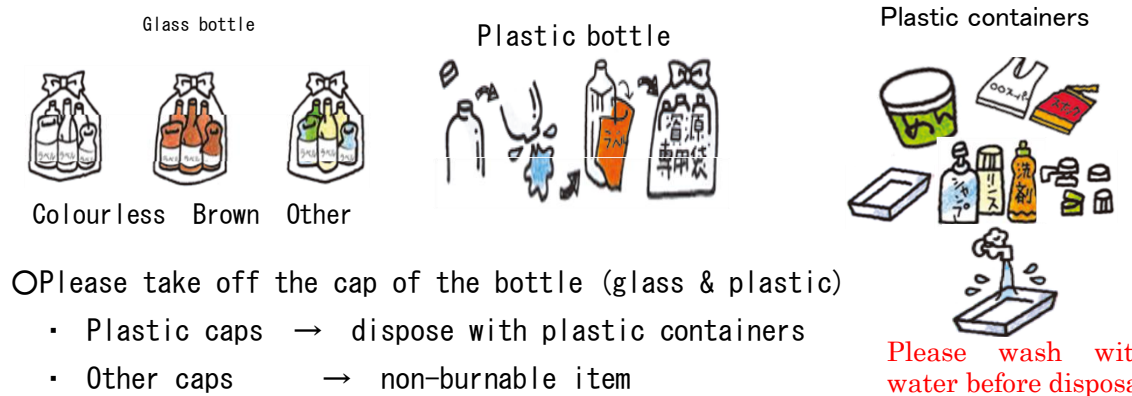

- Metal ... Aluminum cans, steel cans, aerosol cans
- Glass ... Glass pieces, heat-resistant glass, vases, glass cups
- Electronic items ... Cameras, video cameras, flashlights
- Other ... Pottery, light bulbs, batteries, sharp-edged items

For aerosol cans, please puncture before you dispose them.

RECYCLABLE

The way to dispose ⇒ Please use designated bags for recyclable wastes

- Please take off the cap of the bottle (glass & plastic)
 - Plastic caps → dispose with plastic containers
 - Other caps → non-burnable item

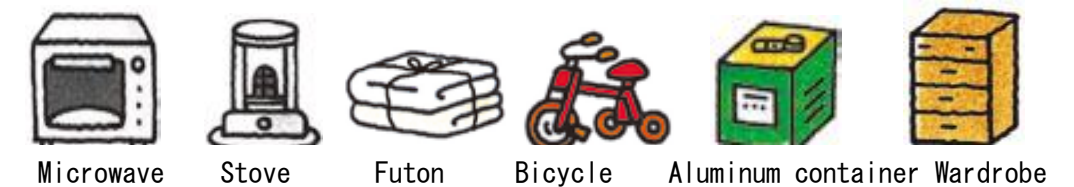

Please wash with water before disposal

The way to dispose ⇒ Please tie the items with a string or a rope
